# BASIC ROSE SHOW

## General Rules and Information

**This show section is for those who have not won 3 blue ribbons or a trophy in a rose show.**

1. Exhibitors do not have to be members of the Connecticut Rose Society to exhibit. Rules of the American Rose Society will be observed for exhibiting and judging.
2. All entries must be grown outdoors **in the exhibitor's own garden. No roses shall be taken from a public garden.** No garden shall be represented by more than one exhibitor. However, a couple or family may exhibit as a team and they may not exhibit individually.
3. **The rose show preparation area in the Pond House will open at 6:30am for show set up and exhibitors will begin preparing their entries for judging at 7:30am. Exhibitors will not be able to prepare roses until show set up is complete.** Exhibitors must have their entries correctly named and classified on official entry tags and placed on the show tables by 10:30am. Entry tags and vases will be provided by the CRS. An experienced exhibitor will serve as an 'exhibitor's advisor' to answer questions and help novice exhibitors prepare their entries.
4. An exhibitor may make more than one entry in a class provided each entry is a different variety. For example, in Class A – Hybrid Tea, an exhibitor may enter one bloom per stem varieties such as Signature, Touch of Class and Gemini; but may not enter two blooms with the same name, e.g. two Geminis.
5. Wedges may be used to give specimens a more erect pose. However, they must be inconspicuous and may not protrude above the top of the vase. Green foam wedges or clear plastic wrap are suggested as the appropriate material for propping up blooms.
6. Judging of entries will begin at 10:45am. At this time, all exhibitors and visitors must leave the show area. The show will open to the public at approximately 1:30 pm.
